Sri M.S. Thirumale Ayyangar, B.E, M.I.E., I.S.E.
Chief Eingeer, Public Works Department,
(Buildings), Chepauk, MADRAS.

To

The Secretary to Government,
Education and Public Health Department.

Letter No. 5892.PWW/49.CP dated 14th September 1949.

Sir,

Water supply and drainage - Recommendation of the Water Supply and Drainage Committee - Re-employment of retired technical men.
Ref: Education and Public Health Memo No. 48403/49-1 Hl. P.H. dated 4.8.49.

. . .

I agree, in principal with the recommendation of the Committee regarding reemployment of retired technical men. I do not however, consider it necessary to resort to this course for the purpose of reorganisation of the Sanitary Branch, at the moment as necessary action has already been taken to select suitable personnel for the reorganised branch and proposals sent separatel..

If, at any time in future, the need for such reemployment of retired men is felt, necessary action will be taken by me under intimation to Government.

The Government constituted a committee known as the Water Supply and Drainage Committee to go into the entire problem of Water Supply and Drainage ~~committee~~ schemes of the Province and to suggest ways and means to accelerate progress in the execution of the schemes. One of the recommendations of the committee is that retired technical men may be reemployed as qualified and technical personal are too few for the actual requirements of the Engineering services. They have further suggested that for the successful implementation of these proposals Government should search and list out the men who have already retired and who are likely to retire in future and also take steps to secure the services of such of them as are mentally and physically fit. It was suggested that this recommendation of the committee may be accepted in this Department. Orders in the matter were not issued pending final orders on the Re-organisation of the Sanitary Engineering Branch. ~~Final~~ orders in the matter have since been issued vide G.O. at (E)

Before further action is taken in the matter the remarks of the Chief Engineer, Public Works Department may be The dreft memo below is for approval.

Issued as Memo. No. 48403/48-1-H1, Public Health, dated 4.8.49 to Cheif Engineer, Public Works Department.
C.No. 72080/49 From the Additional Chief Engineer, Public Works Department, No, 5892 PWW/49 CP dated 14.9.49.

. . .

Please see the notes from p. 3 ante and the letter from the Additional Cheif Engineer, Public Works Department and pp. 3-4 c.f. He agrees the principle with the recommendation of the committee regarding reemployment of retired technical men; he does not, however, consider it necessary to resort to this course for the purpose of reorganistion of the Sanitary Engineering Branch as necessary action has already been taken in the matter. He also states that if, at any time in future, the need for such reemployment of retired men is felt, necessary action will be taken by him under intimation to ~~continued~~. Government

The proposal for the employment of E.Es and Assistant Engineers for the reorganised Sanitary Engineering Branch has already been received and necessary action is being taken in the matter. The ~~Assistant~~ Additional Chief Engineer has suggested suitable candidates for appointment for the posts and there is therefore no need to go in for retired men. In the circumstances no further action is necessary. The papers may be recorded.
